Welcome to the
City of Youngstown
Electric Aggregation Program

Hi <Contact_First_NM>,

January 16, 2025

We are pleased to let you know that the City of Youngstown has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2003, your community gave City of Youngstown the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of 7.99 cents per kWh through your June 2026 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.

If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.

With much appreciation,
