

Welcome to the
City of Cortland
Electric Aggregation Program

Hi <Customer Name>,

May 20, 2024

We are pleased to let you know that the City of Cortland has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2007, your community gave the City officials the authority to form a governmental aggregation program to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You will receive a guaranteed, fixed rate of 6.456 cents per kWh through your July 2025 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.
