Welcome to the
 City of Bexley
 Electric Aggregation Program

Hi <Contact_First_NM>,

July 17, 2023

We are pleased to let you know that through the action of City Council, Dynergy was chosen to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2001, City of Bexley voters gave City officials the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

Here's What You Can Expect

- The program is simple! You are automatically enrolled and there is no enrollment, switching or early termination fee.
- You will receive a fixed rate of \$0.06860 per kWh through your May 2025 meter read for **100% renewable energy**.
- Or choose to opt in to the traditional (Brown) energy rate of \$0.06545 per kWh. Please call Dynergy for this option at 888-682-2170.
- Nothing will change! Continue to receive one monthly bill from your local utility, AEP Ohio. You'll notice that Dynergy will now show as a line item for the supply portion on your bill.
- AEP Ohio will send you a confirmation letter after your enrollment is finalized.
