Electric Aggregation Program Notification

Welcome to the  
Village of Cardington  
Electric Aggregation Program

Hi Customer Name,  
December 11, 2023

We are pleased to let you know that the Village of Cardington has chosen Dynegy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In May 2010, your community gave the Village Commissioners the authority to form a governmental aggregation program to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

**Here's What You Can Expect**

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fee.
- You'll receive a guaranteed, fixed rate of \$0.6950 per kWh through your December 2025 meter read.
- Nothing will change! Continue to receive one monthly bill from your local utility, Ohio Edison. You'll notice that Dynegy will now show as a line item for the supply portion on your bill.
- Ohio Edison will send you a confirmation letter after your enrollment is finalized.

**Don't want to participate?**

Just complete and return the reply card below or call Dynegy at 888-682-2170 by **January 1, 2024**. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Ohio Edison under its standard service offer or until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility.
