

Welcome to the  
**Wayne Township (Butler Co)**  
Electric Aggregation Program

March 11, 2024

Hi Wayne Township Residents and Small Businesses,

We are pleased to let you know that Wayne Township has chosen Dynergy to be the preferred electricity supplier for you and your neighbors through its Electric Aggregation Program. In November 2023, your community gave the Township Trustees the authority to negotiate the most favorable electricity supply rate and terms for you. We are very proud to have been chosen to serve you!

**Here's What You Can Expect**

- The program is simple! You're automatically enrolled and there's no enrollment, switching or early termination fees.
- You'll receive a guaranteed, fixed rate of \$0.0623 per kWh through your September 2025 meter read.
- Want to help the environment? The Wayne Township Aggregation Program offers eligible homeowners and businesses a 100% renewable electricity option for just \$0.0651 per kWh, please call Dynergy at the number listed below to opt into this offer. It's easy and affordable to be green!
- You should see the new price on your bill within two billing cycles of receiving this letter.
- You will continue to receive one monthly bill from your local utility, Duke Energy. You'll notice that Dynergy will show as a line item for the supply portion on your bill.

**Secure Rate**

**Trusted by Millions**

**Don't want to participate?**

Just complete and return the reply card below or call Dynergy at 888-682-2170 by April 1, 2024. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by Duke Energy under its standard service offer until you choose an alternative supplier of electric service. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. To learn more about the program, please see the enclosed terms and conditions or visit
