Village of Apple Creek Electric Aggregation Program

<<Address Block>>

<<post mark date>>

Dear Apple Creek Residents and Businesses,

We are writing to tell you about the Village of Apple Creek's next Electric Aggregation Program. In November 2013, Apple Creek voters authorized the Village Council to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for Village residences and businesses. The Council Officials have selected Dynegy, a competitive retail electric service provider, as the program supplier for the term of July 2018 through March 2021 meter read cycles.

Here's What to Expect:

- You receive a **Fixed Electricity Price** of **5.19 ¢/kWh** through your March 2021 meter reading.
- You receive **one energy bill**, including the Dynegy charge, from AEP Ohio, your local utility.
 - Budget billing will only be available for the AEP charges on your bill. Please contact your electric utility for more information.
- After your enrollment is finalized, AEP Ohio will send you a confirmation letter.
- You can leave the aggregation program without penalty at any time.

You're Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program by **Month Day, 2018** or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.

How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynegy, the electric supplier, at 888-682-2170 by **Month Day, 2018**. If you choose to opt out, you will be served by AEP Ohio under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.

For questions, contact Dynegy at DynegyCustomerService@dynegy.com call 888-682-2170 or visit Dynegy.com/AppleCreek.

We look forward to providing this program.

Sincerely,
Village of Apple Creek and Dynegy

Community: Apple Creek
