Dear Franklin Residents and Businesses,

We are writing to tell you about the City of Franklin's next Electric Aggregation Program. In November, 2000 Franklin voters gave the Franklin City Council the authority to form a governmental aggregation program to negotiate a favorable electric supply price and terms for its residences and businesses. Franklin Officials have selected Dynegy, a competitive retail electric service provider, as the electric supplier.

Here's What to Expect:

- You receive a Fixed Electricity Price of 4.99¢/kWh through May 2021 meter reading.
- You receive one energy bill including the Dynegy charge from Duke Energy, your local utility.
- After your enrollment is finalized, Duke Energy will send you a confirmation letter.
- You can leave the aggregation program without penalty, anytime.
- Green Energy Option Available: Uses 100% Renewable Energy – 5.07¢/kWh through your May 2021 meter reading. *Note for the green price, you'll need to call Dynegy (888-682-2170) to enroll in this option.*

You're Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by April 5, 2018 or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.

How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynegy, the electric supplier, at 888-682-2170 by April 5, 2018. If you choose to opt out, you will be served by Duke Energy under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.

For questions, contact Dynegy at DynegyCustomerService@dynegy.com, call 888-682-2170 or visit Dynegy.com/Franklin.

Sincerely,
City of Franklin & Dynegy
