<<Address Block>>

<<post mark date>>

Dear Hartville Residents and Businesses,

We are writing to tell you about Village of Hartville's new electric aggregation program. In November 2010, Hartville voters authorized the Village Council to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for Village residences and businesses. Hartville Council is pleased to announce that Dynegy has been selected as the Supplier for its program.

### Here's What to Expect:

- You receive a **Fixed Electricity Price** of **4.87¢/kWh** through your September 2022 meter reading.
- You receive **one energy bill**, including the Dynegy charge, from Ohio Edison, your local utility.
- After your enrollment is finalized, Ohio Edison will send you a confirmation letter.
- You can leave the aggregation program without penalty at any time.

### You're Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program by **August 22, 2019** or leave the program at any time for any reason by providing notice to Dynegy. Please see the enclosed terms and conditions for full details of the program.

### How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynegy, the electric supplier, at 888-682-2170 by **August 22, 2019**. If you choose to opt out, you will be served by Ohio Edison under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.
