Dear Salem Residents and Businesses,

We are writing to tell you about the City of Salem’s next Electric Aggregation Program. In May 2010, Salem voters authorized the City of Salem Council to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for City residences and businesses. Salem Council have selected Dynergy, a competitive retail electric service provider, as the supplier for a 36-month program that offers a fixed rate for the term of December 2018 through December 2021 meter read cycles.

### Here’s What to Expect:

- You receive a **Fixed Electricity Price** of **4.98 ¢/kWh** through your December 2021 meter reading.
- You receive **one energy bill** including the Dynergy charge from Ohio Edison, your local utility.
- After your enrollment is finalized, Ohio Edison will send you a confirmation letter.
- You can leave the aggregation program without penalty, anytime.

### You’re Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty by **November 8, 2018** or leave the program at any time for any reason by providing notice to Dynergy. Please see the enclosed terms and conditions for full details of the program.

### How to Opt-Out

If you do not wish to participate, please complete and return the reply card below or call Dynergy, the electric supplier, at 888-682-2170 by **November 8, 2018**. If you choose to opt out, you will be served by Ohio Edison under its standard service offer or until you choose an alternative electric supplier. If you switch back to your local utility, you may not be served under the same rates, terms, and conditions.
